

Your school is part of the Kent and Medway Progression Federation (KMPF)

The Kent and Medway Progression Federation is a partnership between universities, colleges, schools and other organisations working together to raise the aspiration and attainment of young people who might not consider progression to higher education.

Your school is eligible to take part in:

- KaMCOP activities – these are activities funded by the Office for Students through Uni Connect and are offered by the colleges, universities and other organisations below.

You can find all of these activities on KMPF's Activity Portal at: www.kmpf.org/activities by selecting your school in the filters.

KaMCOP provides opportunities for students from specific postcode wards. You can check individual postcodes at www.kmpf.org/about-us/kamcop-cohort or you can email kmpf@canterbury.ac.uk for assistance in identifying these students within your school.

You can also benefit from a collaborative planning session for key members of school staff and representatives from our partner outreach teams to discuss and tailor a programme of activities according to your school's needs. Please email kmpf@canterbury.ac.uk or call 01227 922565 to book this in.

You can keep up to date with news and the latest activities available to you by subscribing to our newsletter at: www.kmpf.org/go/enews

Higher Education Opportunities in FE Colleges

KaMCOP partner colleges, Canterbury College, East Kent College and MidKent College all have a Project Officer who is responsible for organising outreach with local schools. If you are interested in finding out more, please contact kmpf@canterbury.ac.uk to be put in contact with your local college coordinator.
